Leaves the surface clean and free from odors.
Excellent for all bathroom fixtures. Contains no
abrasives.

This product is not to be used as a terminal
sterilant / high level disinfectant on any surface or
instrument that (1) is introduced directly into the
human body, either into or in contact with the
bloodstream or normally sterile areas of the body,
or (2) contact intact mucous membranes but
which does not ordinarily penetrate the blood
barrier or otherwise enter normally sterile areas of
the body. This product may be used to pre-clean
or decontaminate critical or semi-critical medical
devices prior to sterilization or high level
disinfection

DIRECTIONS FOR USE:

It is a violation of Federal Law to use this product
in a manner inconsistent with its labeling. Before
use in food processing plants and restaurants,
food products and packaging materials must be
removed from the room or carefully protected.

SHAKE WELL BEFORE USING

GENERAL CLEANING: Spray evenly over
surface. Wipe clean. For heavily soiled areas allow
foam to set for a minute before wiping.

TO DISINFECT AND DEODORIZE: Clean as
above, then follow by applying a thin film
covering entire area to be disinfected and
deodorized. Allow to set for at least 10 minutes,
then wipe clean with a clean, damp cloth.

TO CONTROL MOLD AND MILDEW GROWTH:
Clean surface, then apply a thin film covering
entire surface. Allow to set for at least 10 minutes,
then wipe with a clean, damp cloth and allow to air
dry. Reapply as new growth appears.

STORAGE AND DISPOSAL

STORAGE: Store in a cool, dry area away from
heat or open flame.

DISPOSAL: Replace cap, wrap container and put
in trash collection. Do not puncture or incinerate.

PRECAUTIONARY STATEMENTS

**HAZARDS TO HUMANS
AND DOMESTIC ANIMALS**

Harmful if swallowed. Causes moderate eye
irritation. Avoid contact with skin, eye or clothing.
Wash thoroughly with soap and water after
handling and before eating, drinking, chewing
gum or using tobacco. Remove and wash
contaminated clothing before reuse.

FIRST AID

If swallowed:

- Call a poison control center or doctor
immediately for treatment advice. Move
person to fresh air.
- Have person sip a glass of water if able to
swallow.
- Do not induce vomiting unless told to do so
by the poison control center or doctor.
- Do not give anything by mouth to an
unconscious person.

If in eyes:

- Hold eye open and rinse slowly and gently
with water for 15-20 minutes.
- Remove contact lenses, if present, after the
first 5 minutes, then continue rinsing eye.
- Call a poison control center or doctor for
further treatment advice.

If on skin or clothing:

- Take off contaminated clothing.
- Rinse immediately with plenty of water for
15-20 minutes.
- Call a poison control center or doctor for
treatment advice.

If inhaled:

- Move person to fresh air.
- If person is not breathing, call 911 or an
ambulance, then give artificial respiration,
preferably by mouth to mouth if possible.
- Call a poison control center or doctor for
further treatment advice.

Have the product container or label with you
when calling a poison control center or
doctor, or going for treatment.

NOTE TO PHYSICIAN: Probable mucosal
damage may contraindicate the use of gastric
lavage. Measure against circulatory shock,
respiratory depression and convulsion may be
needed.

PHYSICAL AND CHEMICAL HAZARDS

Contents under pressure. Do not use or store
near heat, sparks or open flame.
Do not puncture or incinerate container.
Exposure to temperatures above 130°F
may cause bursting.
