

# DUST MOP TREATMENT

OIL EMULSION

## CONTAINS NO CHLORINATED SOLVENTS

The simple one-step solution to ensure maximum dust absorption on dust mops and cloths. Sprays as a quick breaking, penetrating foam that deposits magnetic dust attractant deep into rags, cloth, mops and brooms enabling immediate use.

Dust mop treatment converts dust into heavy lint that is easily picked up and keeps it from floating through the air.

Contains a self indicating foam that shows when mop is saturated and will no longer absorb dust, dirt or lint.

\*Treated mops or cloths can be shaken out or washed in sink or washing machine. Leaves the area with a fresh citrus aroma.

**USE ON:** Floors, Furniture, Frames and Sills, Venetian Blinds, Woodwork, Table Tops and Wall Panels.

## DIRECTIONS: SHAKE WELL BEFORE USING

Offers a unique 360° valve which allows spraying in upright or inverted position. Spray foam in a sweeping motion across rag, mop, cloth or broom. Allow to penetrate into fibers. Re-apply as needed to attract dust or dirt. Shake out or wash when considerable dust or lint build-up is noticed or if foam will no longer soak in after application.

MADE IN THE  
U.S.A.

**CAUTION:** Contains White Mineral Oil (8042-47-5), Liquefied Petroleum Gas (68476-86-8) and Citrus Terpene (5989-27-5). Do not use near heat or open flame. Do not puncture or incinerate container. Do not expose to heat or store at temperatures above 120°F.

For further information consult  
Material Safety Data Sheet.

**KEEP OUT OF REACH  
OF CHILDREN**

**FIRST AID: IF EYE CONTACT:** Flush with large amounts of cool running water for at least 15 minutes while holding upper and lower lids open. If irritation persists get medical attention immediately. **IF SKIN CONTACT:** Wash with soap and water. If irritation persists seek medical attention. **EXCESSIVE INHALATION:** Remove to fresh air. Seek medical attention immediately. If breathing stops give artificial respiration. **IF INGESTED:** Do not induce vomiting. Seek medical attention immediately.
