DESCRIPTION:

Rinse Away is a heavy duty solvent degreaser with a powerful flush action spray. Quickly cuts through and cleans away oil, grease, wax, dirt, grime and other build-up. Dries fast without leaving a residue. Safe for use on most industrial equipment such as gears, shafts, levers and other machine parts, tools, engine parts, bearings, hydraulics, chains, seals, bushings and much more!

- QUICK DRYING. HIGH PURITY FORMULA evaporates rapidly and leaves no residue.
- SAFE FOR USE on most plastics and painted surfaces.
- INCREASES PERFORMANCE, prolongs equipment life by removing contaminated lubrication and grime.

DIRECTIONS:

Please read entire label before using this product.
BEFORE USE ON ELECTRICAL EQUIPMENT

1. Shut off power supply. Be sure all stored power is drained from system and allow hot surfaces to cool before using product.
2. For optimum results, soak piece with an initial spray and allow dissolving action to work for a moment.
3. Tilt surface and spray again until clean.
4. Use an intermittent spray pattern to dislodge trapped particles and allow excess cleaner to run off.
5. Use extension tube for pinpoint delivery or hard-to-reach areas.
6. Allow piece to dry completely and thoroughly vent system before restoring power to electrical equipment.
7. For personal safety, do not apply while equipment is energized.

MADE IN THE
U.S.A.

DANGER: Contains Isohexane (107-83-5), n-Hexane (110-54-3), Methanol (67-56-1), Petroleum Distillate (64742-48-9) and Carbon Dioxide (124-38-9). Do not puncture, incinerate or store can above 120°F. Exposure to high temperature may cause can to burst. Do not place in direct sunlight or near any heat source. Product is extremely flammable; do not use on energized equipment and keep away from flames or other ignition sources. Use only in well ventilated area. Avoid continuous breathing of vapor and spray mist. Avoid contact with skin and eyes. Overexposure to the vapor may cause irritation to eyes, respiratory tract, headaches, dizziness, drowsiness, anesthesia, unconsciousness and other central nervous system effects. Deliberate misuse by concentrating and inhaling the contents can be harmful or fatal. Vapors are heavier than air and collect in low areas.

SPECIAL USAGE WARNINGS: Contents extremely flammable • Do not smoke while spraying • Extinguish all flames, pilot lights and heaters. • Do not apply while equipment is energized. • Vapors will accumulate readily and may ignite. • Use only with adequate ventilation. • Maintain ventilation during use and until vapors are gone.

For further information consult
Material Safety Data Sheet.

**KEEP OUT OF REACH
OF CHILDREN**

FIRST AID: IF EYE CONTACT: Flush with large amounts of cool running water for at least 15 minutes while holding upper and lower lids open. If irritation persists get medical attention immediately. **IF SKIN CONTACT:** Remove contaminated clothing. Wash with soap and water. If irritation persists seek medical attention. **EXCESSIVE INHALATION:** Remove to fresh air. Seek medical attention immediately. If breathing stops give artificial respiration. **IF INGESTED:** Do not induce vomiting. Seek medical attention immediately.

ELECTRICAL SHOCK HAZARD: This can and its contents will conduct electricity. Keep away from all live electrical sources including battery terminals, solenoids, electrical panels and other electronic components. Failure to observe this warning may result in serious injury from flash fire and / or electrical shock.

DISPOSAL: All used and unused product should be disposed of in conformance with local, state and federal regulations.
