

PROTECTS EXPOSED SKIN FOR UP TO FOUR HOURS
SANITARY • MOISTURIZING • NON-ALLERGENIC

Forms an invisible protectant film on hands, arms, legs and other exposed skin areas. Shields skin against damage caused by harsh chemicals, paints and dyes, resins, epoxies, fiberglass fibers, ink and other forms of dirt and grime. Allows skin to flex and breathe and helps reduce under-glove perspiration. Protects against reactions from latex sensitivity. Contains lanolin and aloe vera to help keep hands moist. Allows touch and feeling sensitivity not obtainable with gloves. Resists water wash off.

USED BY: Mechanics, painters, printers, service persons, nurses, beauticians, bartenders, workers in industrial plants and anyone whose hands may contact chemicals, grime or work in water for extended periods.

DIRECTIONS:

Spray a generous amount on clean hands. Rub hands together. The foam will disappear, penetrating into pores and providing deep protection. Make sure to get under fingernails. For areas other than the hands, apply foam to fingertips and rub into desired area. To remove, wash off with soap and water.

MADE IN THE U.S.A.

CAUTION: Contains Liquefied Petroleum Gas (68476-85-7), Stearic Acid (57-11-4), Propylene Glycol (57-55-6), Polydimethylsiloxane (63148-62-9), Isopropyl Myristate (110-27-0) and Triethanolamine (102-71-6). Do not puncture or incinerate container. Do not expose to heat or store at temperatures above 120°F. Do not spray on food. Use only as directed. Intentional misuse by deliberately concentrating and inhaling the contents can be harmful.

FIRST AID: IF EYE CONTACT: Flush with large amounts of cool running water for at least 15 minutes while holding upper and lower lids open. If irritation persists get medical attention immediately. **IF SKIN CONTACT:** If, in rare cases, allergic reaction occurs, wash with soap and water. If irritation persists seek medical attention. **EXCESSIVE INHALATION:** Remove to fresh air. Seek medical attention immediately. If breathing stops give artificial respiration. **IF INGESTED:** Do not induce vomiting. Seek medical attention immediately.
