The Maintenance Professional's Choice

RTV SILICONE CAULK & SEALANT

11707 - 11807

Terand RTV Silicone Caulk & Sealant is ideal wherever a strong, permanently flexible weatherproof caulk, sealant or adhesive is needed. Temperature-resistant; remains flexible and will not shrink, crack, crumble or dry out.

Special 11807 White formula resists mildew.

NOTE: Paint will not adhere to cured material. Not recommended for continuous immersion in water or application to porous surfaces such as masonry.

This product has been designed to meet the qualifications of Federal Specification TT-S-001543, Class A; TT-S-00230, Class A; ASTM C 920; MIL-A-46106A, Type 1; Canadian Specification CGSB 19-GP-22M; FDA Regulation No. 21 CFR 177.2600; and National Foundation Rating C2

11707 - CLEAR
