

TERAND

The Maintenance Professional's Choice

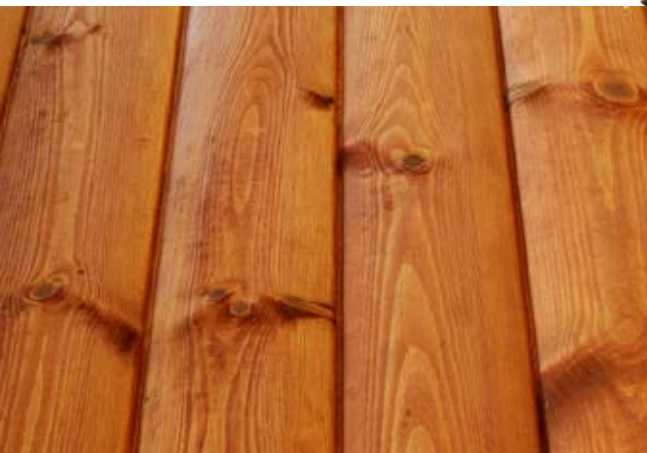

HARD SURFACE PROTECTIVE FINISH

16211

A hard, durable, polish formulated with high gloss silicone and hard shiny wax. Dusts and adds glowing beauty, protection and shine to many hard surfaces. Helps remove dirt, dust, grime, fingerprints, ink and more! Leaves surfaces treated with a hard wax, moisture-resistant shield that protects against marking and spills. Helps reduce urine splash corrosion on metal lavatory partitions.

- Silicone
- Hard Wax
- Resists Marking
- Safe on Plastic

- Dusts
- Polishes
- Protects
- Ready to Buff in Seconds
