

TERAND

The Maintenance Professional's Choice

VANDALISM MARK REMOVER

17517

A non-chlorinated, heavy duty, thick clinging gel that provides extended surface contact cleaning time. Cuts quickly through stubborn vandal marks without rubbing or dripping. Effective on porous and non-porous surfaces. Removes spray paint, lipstick, tar, pen, ink, markers and more. Safe on block, concrete, stone, tile, metal, and most painted surfaces.

- Removes Marks Quickly
- Helps Deter Future Incidents
- Super Strength Solvent Gel
