

TERAND

The Maintenance Professional's Choice

FABRIC AND UPHOLSTERY REFRESHENER

27514

A quick breaking bio-enzymatic foam that penetrates porous surfaces to instantly deodorize and clean away malodors. Then, as the treated area dries, the special biotechnology binds with the odor causing molecules and begins breaking them down into odorless compounds. Provides for easy odor elimination. Cleans away deeply embedded odors over time.

- Pleasantly Scented
- Not a Mask or Cover-Up
- Contains Special Biotechnology that Degrades Odorous Organic Compounds as it Dries
- Eliminates Odor Sources
- Controls Odor Instantly

- Penetrates Deep Into Fabric, Cloth, Carpet Backing, Padding and Upholstered Surfaces to Clean Odors Away
- Safe on Cloth, Carpet, Velour, Felt, Leather, Vinyl, Plastic, Rubber and More!
- Great for hard surfaces too! Easy to apply Just spray on, let set and odors will disappear

QUICKLY and DEEPLY DEODORIZES:

- Upholstery Cushions • Pillows • Carpet
- Backing • Padding
- Rugs • Drapes • Pet Areas

- Infant Areas • Bedspreads • Pillows
- Mattresses • Clothes Hampers
- Diaper Pails and More!
