The Maintenance Professional's Choice

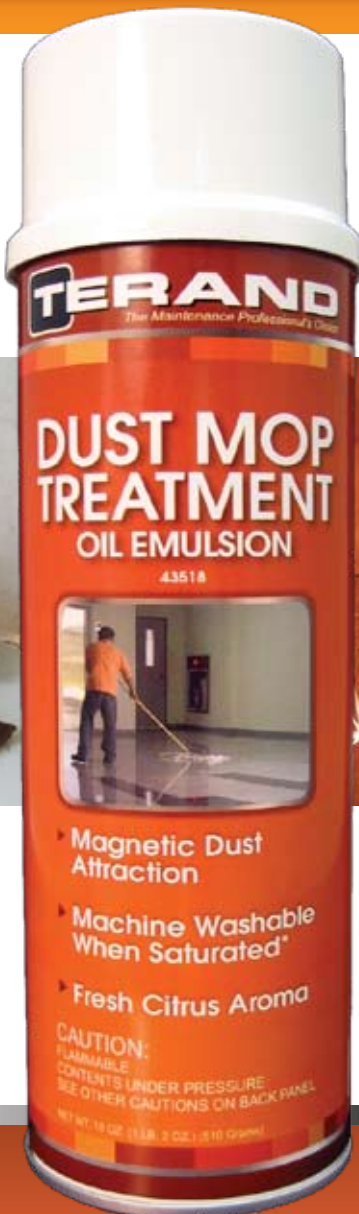

DUST MOP TREATMENT OIL EMULSION

43518

An economical and environmentally sound dusting aid. Unique quick penetrating foam indicates where magnetic dust attractant has been applied and allows for immediate use. Self indicating dissipating foam action shows when mop is saturated and must be washed to continue effective use. Leaves behind a fresh citrus aroma.

- Magnetic Dust Attractant
- Use on Mops and Cloths
- Water/Oil Emulsion

- Fresh Citrus Aroma
- Unique 360° Valve Allows Spraying in Upright or Inverted Position

FOR USE BY:

- Hospitals • Nursing Homes
- Schools • Restaurants • Hotels
- Office Buildings

FOR USE ON:

- Floors • Furniture • Frames
- Sills • Blinds • Woodwork
- Table Tops • Wall Panels
