

TERAND

The Maintenance Professional's Choice

PANEL TREATMENT

45718

A foam that penetrates into pores to brighten faded coloring and preserve the beauty of paneling and cabinetry. A non-wax emulsion which removes soil, leaves a protective film and provides a light gloss, while leaving a pleasing citrus fragrance.

- Citrus Fragrance
- No-Wax Formula
- Cleans

- Restores
- Preserves
- Beautifies

FOR USE ON:

- Wood Paneling
- Natural Finish
- Stained Cabinets
- Countertops
- Desks

- Woodworks
- Window Sills
- Vinyl Coated Panels
- Formica®
- Fiberglass
