The Maintenance Professional's Choice

OVEN & GRILL CLEANER

46018

A simple, safe one-step solution to removing baked on grease, grime and carbonized food from ovens, grills, barbecues and hoods. Sprays as a heavy foam that clings to vertical surfaces and extends cleaning time. Powerful cleaning agents quickly dissolve and break the bond of baked-on, carbonized soil.

REMOVES:

Baked On Grease, Grime and Carbonized Food From Ovens, Stoves, Grills, Barbecues, Hoods and Kitchen Equipment Exteriors
