

TERAND

The Maintenance Professional's Choice

COIL CLEANER SOLVENT-BASED 56018

FOR USE BY:

- Heating, Ventilation, and AC Technicians
- Building Superintendents • Restaurants
- School Systems • Hospitals
- Nursing Homes
- Frozen Food Warehouses and Shippers

- Solvent-Based • Non-Flammable
- Fast Drying
- Blasts Away Dirt from AC, Heating and Refrigeration Coil Fins

A fast drying, flush action solvent that blasts grease, dirt, lint, and grime from air conditioner, heater, dryer, and refrigeration coils. Improves airflow and reduces power consumption. Helps maintain optimum unit efficiency. Requires no rinsing.

FOR USE ON:

- AC and Heating Coils • Ice Makers
- Cold Storage Compartments
- Refrigerators
- Freezers • Hand Dryers
- Refrigerated or Frozen Cargo Containers and Trucks

- Helps Reduce Energy Costs
- Powerful Solvent-Based Cleaning Action
