The Maintenance Professional's Choice

GASKET and DECAL REMOVER

76518

FOR USE BY:

- Department of Transportation
- Municipalities
- Auto Body Shops
- Train & Bus Stations
- Wood & Metal Furniture Companies

A fast acting solvent that softens adhesive for easy removal of gaskets and decals. Eliminates need for scrapping, grinding, sandblasting or filing. Gel clings to vertical surfaces. Aids the removal of cork, composite, graphite, felt and metal gaskets. Super powerful blister action saves time on any gasket repair job.

FOR USE ON:

- Metal • Plaster • Concrete
- Brick • Stone • Masonry
- Glass • Ceramics

- Water Flushable
- Removes Gasket & Decal From Porous and Non-Porous Surfaces
- Non-Corrosive to Substrates

- REMOVES: Cork - Rubber - Felt - Paper
- Spray On and Around Edges
- Let Set - Scrape or Peel Off
- Works in Minutes with Visible Action
