

TERAND

The Maintenance Professional's Choice

SKIN SHIELD

85514

A one-of-a-kind formula that protects skin from solvent, paint, resins, chemicals, fiberglass fibers, epoxy, ink, dye, and other forms of dirt and grime. Moisturizes as it protects skin with Aloe Vera and Lanolin. Allows skin to flex and breathe while being protected. Enables increased manual dexterity. Can be used under gloves to help protect against latex sensitivity. Keeps hands from drying and cracking. Can be washed off without soap. Pleasant fragrance.
