The Maintenance Professional's Choice

ACOUSTICAL TILE RESTORER

96715

FOR USE BY:

- Office Building Maintenance Crews
- Construction Companies
- Building Superintendents
- Municipalities • Restaurants
- Schools • Hospitals • Nursing Homes
- Hotels • Motels • Retail Stores

A durable white coating that covers unsightly ceiling tile stains caused by water damage, smoke, and soil discoloration. Unlike paint, this special restorer does not change the acoustical properties of the ceiling tile. Effective on both smooth and rough tile surfaces. Can be used with tile in place or when removed. Includes vertical application actuators.

- No Chlorinated Solvents
- Covers Stains & Discolorations
- Coating is Nonflammable when Dry
- Excellent for Smooth & Rough Surfaces

- Covers Discoloration
- Eliminates Tile Replacement
- Dual Spray Actuator System
- Includes Interchangeable Horizontal & Vertical Spray Actuators
